NEWS AND ACTIVITIES OF THE LINCOLN SKY KNIGHTS R/C CLUB

President's Message

Well I'm hoping that the new plane you are working on has floats. With the flying season in full swing it is nice to hear the sound of an engine loading up as it struggles to pull a few more feet out of a climb or unload in a dive. From my back deck I can just hear the whoosh from the jets as they pull G's on the south end of the patch. My early morning flights are plagued though by one problem. All the wet has finally brought on the mosquitoes. Our beautiful field is the perfect marsh and breeding ground for these beasties. No joke here just information, the West Nile virus is not done yet so in your flight box tools this year anyway, add one more tool... Mosquito repellent. Don't forget it and remember to use it. Your life may depend on it. Well enough of the public safety announcement, go out and fly. The wind has been light and the sky interesting to have as a back drop so break out the planes and play.

Secretary's Report

The meeting was called to order at 7:30 with 16 members present by President Wilson Hardy.

VP/CD Report

Wrap up on the Boy Scout show display. 5 members showed off 11 planes and 2 foamies attempted to fly in high wind. Over

all fun was had by all and a lot of interest was shown by the Scouts. A reminder about the fun fly on May 16 and 17.

FUN FLY REPORT

Due to threat of severe weather fun fly was canceled and will be moved to another date to be announced.

I went to the field to open the gate on the morning of May 16th just in case someone had not received the cancelation notice. John Knopp was already at the field flying. Saw Jerry Robinson later and he was putting down something to kill the mosquitos but that was pretty much it. The wind was blowing over 20 MPH and gusting to 30 MPH so there were not too many people out.

I will see you again in July.

AREA EVENTS

June 12th, 13th, and 14th Sig RC Fly-In at Montezuma Iowa

Treasurer's Report

Kelly was unable to attend the meeting but
reported that all monthly bills had been paid.

Safety Officer's Report

The safety officer reported he had no calls.

Old Business

Member Gorden Wisbey reported that he
found out what we needed to repair the
runway cracks and a work day was set for
may 2 to take care of them with club
volunteers.

No one had heard from Milt on the status of
the pre-emergent on the grass runway.

New Business

None.

New Members

None.

Models of the Month

Alan Worst showed off his Mystique sail
plane and Jupe had a 47" pattern plane
weighting in at 2 lb. 2 oz. and powered with
an electric motor

Meeting adjourned

Meeting ended at 8:05

LSK field during May 7th flood. Arrow
points at our clubhouse.

Evidence of how high the water got.
